

# Become part of our day care team as a **Bachelor of Education**

## Job specification

- Experience the day together with the children, in a joyful and emphatic atmosphere
- Collaboration with colleagues and showing initiative in implementing the educational concept for the children
- Working together with parents and the team to establish an early childhood educational partnership
- For the position of group leader: training, mentoring, and supervising of day-care teachers and students in their probationary year; involvement in training new employees
- Regular interaction and cooperation with a team of colleagues
- Salary and social benefits in accordance with the Collective Agreement for the German Civil Service (TVöD-SuE)
- 30 days of annual leave, assistance in helping to meet your needs: such as visa requirements, housing, social events etc.
- Part-time as an option

## Your profile:

- Bachelor's degree in Early Childhood Education or similar qualification
- Your native language is English and you are able to understand a basic level of German (if not: you would be willingly to learn it)
- You are interested in further developing your professional skills
- For the position of group leader, prior experience in such a position is welcome

## Our offer:

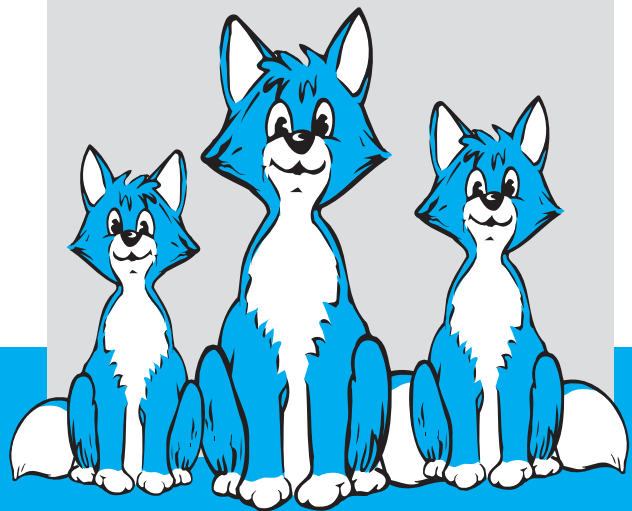

- An exciting challenge in an interesting environment, where educational, organisational, and creative contributions are welcome
- An innovative architecture and infrastructure designed for children and a modern pedagogical and bilingual educational concept
- Interesting and varied work with the opportunity to get involved in the decision-making process
- Intensive support from management and colleagues upon taking up the position
- Continuing professional development and free German language course

## Who we are:

Day care and crèche in Jülich, a town near Cologne, Aachen, and Düsseldorf in Germany. The centre is run by the parents' initiative "Kleine Füchse e.V."

## Unique features:

- Natural sciences education
- We help to promote each child's development in harmonisation across the different groups and in accordance with their individual talents and abilities
- Cooking at the centre in line with an in-house nutritional concept
- In the process of becoming a bilingual centre: German – English

Excited by the prospect of a fresh challenge?  
If so, please send your letter of application, including your CV, stating your earliest availability to:

Kindertagesstätte Kleine Füchse  
c/o Forschungszentrum Jülich GmbH
