FINANCING IN 2020

In 2020, Forschungszentrum Jülich received institutional funding from the federal and state governments amounting to €444 million, which represented 55 per cent of total financing, to cover operating expenses and to implement investment measures. In addition, Forschungszentrum Jülich's third-party funding totalled €368 million, representing 45 per cent of the total funding.

Third-party funding consists of the acquisition of international (EU funding) and national project funding, of R&D and infrastructure services (contracts), and of project management on behalf of the Federal Republic of Germany and the federal state of North Rhine-Westphalia. National project funding includes funding from the federal government, the state government, the DFG and other domestic bodies.

Financing in 2020 covers all research areas of Forschungszentrum Jülich as well as other statutory tasks. The majority of Forschungs-

zentrum Jülich's financing (> 90 per cent) comes from public funds. The remainder originates from cooperations with the industry.
