

Become part of our day care team as a

Teaching Assistant

Kita „Kleine Füchse“, Jülich

Who we are:

„Kleine Füchse“ is a day care centre in Jülich. We have eight groups in which 130 children between the ages of 4 months and 14 years are lovingly looked after. The centre is run by the „Kleine Füchse e.V.“ association, a parents' initiative that promotes the collaboration between work and family.

Our new building, completed in summer 2018, is located on the premises of the Forschungszentrum Jülich. In keeping with our environs, we are certified as a "Haus der Kleinen Forscher". We are also certified as an "Anerkannter Bewegungskindergarten". Holistic developmental support and the participation of the children are the focus of our educational work. We have chosen to employ an open kindergarten concept in order to support these themes.

Job specification:

- Experience the day together with the children in a joyful and compassionate atmosphere
- Help the children to learn English by using your language in everything you do: playing, singing, reading books, exploring the environment, and speaking about things as you would with any child
- Work in partnership with colleagues, parents and children

Your profile:

- ✓ Your native language is English and you are able to understand and speak a basic level of German (if not, you would be willing to learn it)
- ✓ You are interested in speaking and playing with the children in a loving and compassionate way
- ✓ Bachelor's degree in Early Childhood Education or similar qualification
- ✓ Prior relevant experiences are welcome

Our offer:

- An exciting challenge in an interesting environment, where educational, organizational and creative contributions are welcome
- An innovative architecture and infrastructure designed for children and a modern pedagogical and bilingual educational concept
- Interesting and varied work with the opportunity to get involved in the decision-making process
- Continuing professional development and a free German language course
- Regular interaction and cooperation with a team of colleagues
- Intensive support from management and colleagues
