

Public transit bus schedule

Although getting to Forschungszentrum Jülich (FZJ) is not a simple task, one has several options. The first option is a direct bus connection between Jülich train station and the last station on the FZJ campus using the bus line **SB11**. But not every bus stops at Jülich station. It is important to pay attention to the direction the bus is taking:

08:32	Jülich Bahnhof	➔	FZJ Seecasino
09:00	Jülich Bahnhof	➔	FZJ Seecasino
09:24	Jülich Bahnhof	➔	FZJ Seecasino
10:24	Jülich Bahnhof	➔	FZJ Seecasino
11:24	Jülich Bahnhof	➔	FZJ Seecasino
12:24	Jülich Bahnhof	➔	FZJ Seecasino
15:09	FZJ Seecasino	➔	Jülich Bahnhof
			in direction Aachen Bushof
16:47	FZJ Seecasino	➔	Jülich Bahnhof
			in direction Mariadorf Dreieck
17:07	FZJ Seecasino	➔	Jülich Bahnhof
			in direction Aachen Bushof

The second option is a train stop (Ruhrtalbahn, RTB) at the “Jülich Forschungszentrum (RTB)”. This train station is a 15 - 20 minutes walk away. But usually a bus is waiting to bring you on the FZJ campus, which takes just 3 minutes.
