9 Suggestions for faculty members to review your application documents

Your application documents will be sent to IHRS BioSoft faculty members for review. Please suggest three reviewers who are not members of your institute. For a list of IHRS BioSoft faculty members, see <https://go.fzj.de/ihrsbiosoffaculty>.

9.1 Suggested reviewer:

9.2 Suggested reviewer:

9.3 Suggested reviewer:

10 Your commitments:

The aim of the IHRS BioSoft is to foster interdisciplinary research. When you join the school, you will commit to starting to network early. Please tick both boxes.

- ☐ I will discuss my Ph.D. project with a member of a different IHRS BioSoft institute that is agreed on with the coordinator within the three months after my admission.
- ☐ I will first present my Ph.D. project in a Student's Seminar to the other fellows within six months after my admission.

11 Additional information

Any additional information or questions relevant for your application:

12 Before you submit...

... make sure that you send the **completed application form** together with your **CV** and **scans of MSc certificate and transcript**. We prefer that you submit the application electronically to admission_biosoft@fz-juelich.de.

- ☐ I hereby verify that all information given is complete and accurate. I am aware that providing false or incomplete information intentionally may lead to rejection of my application, or if discovered after admission to the loss of my fellowship.
