

## User Data Form - NMI3

Dear user,

for the annual report to the EU within the NMI3-project, we ask you to provide the information according to the questions below. Please fill it in and return it together with the *Claim for Travel Expenses* form **within 6 months** from the conclusion of the experiment at the FRM II.

Please remember that the EU asks you to submit **a short report** written in English at least 3 months after the conclusion of the experiment. Please login to our user office ([user.frm2.tum.de](http://user.frm2.tum.de)) and submit that report via the module "EU-Report NMI3". Note that this report for the European Commission is separate from **the experimental report** required by the FRM II for its annual report.

In addition you are requested to complete **the satisfaction report** at [http://cordis.europa.eu/fp7/capacities/questionnaire\\_en.html](http://cordis.europa.eu/fp7/capacities/questionnaire_en.html)

Many thanks for your cooperation!
